### **INDEPENDENT AUDITOR'S REPORT**

The Board of Directors of Samaritan Counseling Center of Western PA. Inc.

I have audited the accompanying balance sheet of Samaritan Counseling Center of Western PA (a nonprofit organization) as of December 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Samaritan Counseling Center of Western PA, Inc. as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Report on Summarized Comparative Information**

I have previously audited Samaritan Counseling Center of Western PA, Inc.'s 2015 financial statements, and my report dated July 29, 2016, expressed an unmodified opinion on those audited financial statements. In my opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

### NOTES TO FINANCIAL STATEMENTS

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Organization Background

Founded in 1982, the Samaritan Counseling Center of Western PA, Inc.'s mission is to help individuals and families achieve spiritual, emotional and physical well-being through professional psychological counseling and educational programs using resources of faith.

### Tax-Exempt Status

The Samaritan Counseling Center of Western PA, Inc. is recognized as a non-profit organization under Section 501 (c)(3) of the Internal Revenue Code.

### Revenue and Expenses

Revenues and expenses are recorded on the accrual basis of accounting. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

### Equipment and Depreciation

Land, buildings and equipment are recorded at cost or fair market value at date of gift for donated assets. Depreciation is provided on the straight-line method over the estimated useful lives of the depreciable assets.

### Financial Statement Presentation and Contributions

The financial statements are presented in accordance with FASB ASC 958, which requires the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction fully expires in the reporting period in which the support is recognized.

All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

### Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an initial maturity of three months or less.

### **Donated Services**

A number of volunteers have donated significant amounts of their time in the organization's administrative operations. In accordance with requirements of FASB ASC 958 no amounts have been reflected in the financial statements for those services.

### NOTES TO FINANCIAL STATEMENTS

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

### Investments

Samaritan Counseling Center of Western PA, Inc. accounts for investments in accordance with FASB ASC 958. Under FASB ASC 958, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values, with gains or losses included in the Statement of Activities. Fair value for publicly traded investments is described below.

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), secondary priority to significant other observable inputs (Level 2 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

### Functional Allocation of Expenses

The cost of providing the Organization's various programs and supporting services have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates. Actual results could differ from those estimates.

### Comparative Data

The financial statements include certain 2015 comparative information. With respect to the statement of activities, such prior year information is not presented by net asset class and, in the statement of functional expenses, 2015 expenses by object are presented in total rather than by functional category. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2015 from which the summarized information was derived.

### 2. ACCOUNTS RECEIVEABLE

The Organization provides psychological counseling and bills insurance companies for their fees. For 2016 the gross receivable was \$75,838 less \$9,094 insurance adjustment, net receivable \$66,744.

All receivables are deemed by management to be fully collectible. Any bad debts are charged to operations in the year in which the account is determined uncollectible. If the reserve method of accounting for uncollectible accounts were used it would not have a material effect on the financial statements.

### NOTES TO FINANCIAL STATEMENTS

### 3. LAND, BUILDING AND EQUIPMENT

	\$ 105,942	\$ 118,635

### 4. INVESTMENTS

Investments in equity securities with readily determinable fair values are carried at fair value. Fair value is based on Level 1 and Level 2 inputs as described in Note 1. The Level 2 input consists of an accounting, of the Organization's funds held, provided by the Pittsburgh Foundation. Cost and fair value of investments at December 31, 2015 were as follows:
