When you're emotionally wounded or struggling through difficult circumstances, you may feel overwhelmed and powerless. Whether you're suffering from the effects of stress, unresolved trauma, an unhealthy relationship, or a mental disorder, *healing, hope, and life-changing growth* are within your reach at Samaritan.

licensed and skilled in multiple treatment methods, and use the best available practices in the mental health field.

When you meet with your Samaritan therapist, you'll be in the care of someone who is inherently compassionate and committed to helping you; someone who will listen to you without judgment, and design a holistic treatment plan for the unique individual that you are.

Samaritan offers *spiritually-integrated* therapy which can lead to greater satisfaction with your treatment. If you desire to blend your faith beliefs into your counseling, your therapist will make them an integral part of your care *within the context of your beliefs*. Your therapist will not attempt to impose on you his or her own beliefs or any other religious doctrines.

We also respect the wishes of people who do not practice a religion, or desire spiritual integration.
